Village living

Surrounded by picturesque countryside, lakes and ancient woodland, Frimley Green village is a friendly hamlet with a varied selection of independent shops, bakeries, cafes and country pubs, though is probably best known for being home to the Lakeside Country Club, sitting on Wharfenden Lake.

The Basingstoke Canal meanders to the east and south of the village and there are a number of open spaces within the village including Frimley Green Recreation Ground, home to Frimley Green F.C., and Frimley Lodge Park with well-kept woodland, children's playground, miniature railway, picnic area and pitch and putt. For the golfer, there's an exceptional choice of local clubs including Pine Ridge and Camberley Heath with the delights of West Hill, Worplesdon and Woking just a short drive away.

Frimley Green is just a short drive from the wider facilities of Camberley (under 3 miles) and Farnborough (3.1 miles*), home of the world famous air show, with the shopping mecca of Woking just 9 miles away (22 mins*).*

The Acorns offers village living yet with everything close by for modern day living.

About Rushmon Homes

At Rushmon Homes we've been creating a warm welcome in our new homes for over 47 years now. As an established family business with our own children and grandchildren, we're able to understand the evolving needs of our purchasers as they and their families change and grow over the generations.

Our homes are design-led to provide light, spacious, adaptable living spaces that are a joy to be in – whether you're relaxing peacefully, socialising with friends or celebrating with loved ones.

Over the years, our customers have consistently found the quality of our homes reassuring. Our keen eye for design certainly makes our properties look elegant and inviting, but they're also refreshingly practical, functional and durable.

Our craftsmen use time-honoured building traditions and only the best materials to produce a fine finish.

Based in Surrey, we have acquired a wealth of local knowledge which enables us to develop homes in some of the most sought-after areas in the South East, yet virtually all our developments are created on recycled land.

Perhaps it's a combination of all of these things that has won us a number of prestigious awards over time, with one judging panel noting of our Twin Trees scheme in Woking, "This development shows the value of well-thought-out regeneration, especially for those looking for that elusive object – the ideal family home".

Of course it's always very rewarding to receive such recognition, but our greatest accolade remains the positive feedback we hear from the people who matter most – our purchasers.
